## Try This If You Have Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching and itching of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—(Adv.)

## BLACK NET SETS SNARE

(By Betty Brown.)

At the age of 18 every person of the feminine persuasion has known the deep, unuttered longing to go trailing about the world in a black lace gown!

There is an undefined something deep in the soul of woman which makes her covet the filmy, floating mystery of black lace.

Let the theosophists explain it, we're too busy.

This particular satisfaction of a maiden's dream is built upon a foundation of black satin—a mere sheath for the figure.

The sleeves are tight and there is a full tunic of the net, embroidered in the bronze and green of oak leaves, and plicated and rippled in a distracting manner.

they were organized, and stated that it was easier to elect a president than it was to find a teacher. Then there was a called a "drop in" class, and there were usually about thirty of these every class night.

In building 30 he said there was a Bible class with an average attendance of about 1,000 a month.

Dr. Thomas H. Billings, of the University of Chattanooga, made a clear and beneficial talk on "Bible Mining," in which he told of practical methods in getting better acquainted with the Bible, especially those parts which are often unknown to the Sunday school teachers and pupils. One way was to familiarize oneself with the time and circumstances under which the special Book being studied had been written, and to realize, like Shakespeare's writings, that the writers were men of such deep and profound thought that the lessons applied to all times.

Miss Katherine Pierce gave a most excellent talk on "Prayer," and Dr. Howard McCall spoke on "Vacation With the Bible."

Others making brief talks were: Misses Katie Ashmore, Alma Swan and Mabel Hall.

Miss Sadie Gilbert and Miss Nell Brundage played a violin number, accompanied on the piano by Mrs. D. A. Graves.

Miss Anna Katherine Moseley sang a solo, accompanied by Miss Kathleen Goggin. Dr. I. D. Steele pronounced the benediction.

## MOST BLINDED BY WHOOPING COUGH

Boy's Eyes So Swelled He Could Hardly See—took Lung-Vita, Quit Coughing.

"I think that Lung-Vita is the greatest medicine ever put before the public for whooping cough, as there is no other medicine that I ever heard of that would cure this disease," says Mrs. Nannie Bety, who lives at 407 1-2 East 22d Street, Chattanooga, Tennessee.

"My little boy, who is three years old, had whooping cough so badly that his eyes were swollen to such an extent that he could hardly see at all. I did not know what to do for him, for I thought there was no medicine that would do him any good. A friend seeing his condition insisted that I give him Lung-Vita, saying that it would cure him. I finally consented to try it out and gave him two doses of the medicine. Since the second dose he has not coughed a single time with whooping cough. And ever since he has been sound and well. This was eight months ago.

"I cannot say too much for Lung-Vita and advise all mothers to give it to their children if they are suffering with this distressing complaint."
